

FAST FACTS ABOUT ENRICHING MOISTURIZER AND REVITALIZING MOISTURIZER

Hold on to your youth today and tomorrow with these age-defying skin-enhancers! Enriching Moisturizer 1 (for normal to dry skin) provides all-day moisture for thirsty skin. This moisture-intense cream contains selected herbal botanicals that influence skin's natural moisture balance properties, while superior skin humectants soften and diminish the appearance of fine lines. Oil-free Revitalizing Moisturizer 2 (for combination to oily skin) works with skin's natural lipids to achieve optimal moisture levels around-the-clock, so skin looks and feels its youthful best! Superior skin humectants replenish youthful moisture and minimize fine lines. Both Moisturizers include Green Tea and Echinacea to support antioxidant and immune protection, while UVA/UVB sunscreens (SPF4) protect collagen and elastin.

WHY FACIAL MOISTURIZER?

- To support the skin's moisture balance and soften the appearance of fine lines and wrinkles.
- To help deliver moisture to thirsty skin cells being dried out by environmental factors such as sunshine, dry air and cold temperatures and as the result of age-related loss of moisture.
- To promote the look and feel of fresh, youthful skin by smoothing out the skin surface and controlling scaly roughness, from the visible to the microscopic level.
- To insure that sufficient moisture is held within the skin throughout the day, to minimize the aging effects of moisture loss upon the skin.

WHY NUTRIANCE ENRICHING MOISTURIZER?

- Skin's natural moisture-holding capacity is augmented with an exclusive combination of Aloe Vera Gel, skin conditioning amino acids and moisture-binding saccharides, helping to minimize the appearance of fine lines and wrinkles.
- A moisture increase of 67% within skin layers, even four hours after application, as verified in European clinical testing.
- Natural lipid production of normal-to-dry skin is encouraged, enhancing moisture retention and visible smoothness, with a unique combination of botanicals (Orange Flower Extract, Eyebright Extract [Euphrasia Officinalis], Ivy Extract [Hedera Helix L.], Sweet Almond Extract).
- Skin's natural collagen and elastin is defended from both UVA and UVB radiation damage, and elasticity is further promoted with pure Avocado Oil, which combines with the skin's own oils to add moisture.
- Delivers Green Tea and Echinacea Extracts for antioxidant and immune support.
- Helps prevent permanent skin damage with clinically proven sun protection (Significant UVA protection and UVB protection of SPF 4).
- Non-irritating and PABA-free.
- Provides the fourth step of the Nutriance Synergy Cycle for normal-to-dry skin; a complete skin care program in five steps. Each step builds upon the last. Step Four leaves your skin soft and radiant.
- Water soluble formula helps maintain a healthy skin surface pH.
- Clinically proven performance, verified in Europe's most prestigious dermatological research facility.
- Subtle fragrance virtually disappears upon

application. Unique personally adaptive formula interacts with your body's natural pheromones and blends with your own personal chemistry to become essentially invisible to the nose. Will not conflict with your favorite fine cologne or perfume.

WHY NUTRIANCE REVITALIZING MOISTURIZER?

- Skin's natural moisture-holding capacity is augmented with an exclusive combination of Aloe Vera Gel, skin conditioning amino acids and moisture-binding saccharides, minimizing the appearance of fine lines and wrinkles.
- An amazing 70% more moisture within skin layers, even four hours after application, as verified in European clinical testing.
- Helps calm lipid production of oily-to-combination skin, promoting a youthful lipid-to-moisture balance and visible smoothness with a unique combination of botanicals (Witch Hazel Extract, Tormential Extract, White Oak Bark Extract, Sage Extract) in an oil-free formula.
- Skin's natural collagen and elastin are defended from both UVA and UVB radiation damage, promoting vital elasticity.
- Delivers Green Tea and Echinacea Extracts for antioxidant and immune support.
- Helps prevent permanent skin damage with clinically proven sun protection. (Significant UVA protection and UVB protection of SPF 4).

- Non-irritating and PABA-free.
- Provides the fourth step of the Nutriance Synergy Cycle for oily-to-combination skin; a complete skin care program in five steps. Each step builds upon the last. Step Four leaves your skin soft and radiant.
